

# Colours

Our colour palette is designed to inspire. Populated with the practical solutions your pursuits demand. You will undoubtedly notice themes, complements, and contrasts within each of the six collections. But there are no rules – pull from the palette as you see fit.

Our designLab® also offers custom colour creation. Our in-house technicians can custom blend nearly any colour with a range of finishes to meet your needs. Visit [kydex.com](http://kydex.com) to learn more.
